

## **Northgate Block Watch Quarterly Meeting Minutes (Q3, 2011)**

Tuesday, October 11, 6:30pm

Meeting called to order at 6:33pm by the President; 10 people in attendance

### **Topic on Crime- President**

Discussed crimes happening in our area; one area of concern was brought up (Davis Rd, east of the main entrance gate). Some empty units do not have outside lights turned on (likely due to no electricity at the vacant homes) so tend to create some very dark areas at night; pursue with CCMC/Pulte. Some members would also like to pursue cameras being installed at main entrance gates with DVR recorder. Concerns were later passed on to CCMC.

### **General BW Income/Expense report – President (in absence of Treasurer)**

Balance was provided; money has been set aside for GAIN event.

### **Safety Committee- Safety Chairman**

There is still one open area to deliver flyers; new attendee agreed to take area.

### **Communication Committee – President (in absence of Communications Chairman)**

Concerns were expressed about not being able to post on our website (due to unknown problems). President is to pursue a solution.

### **Beautification Committee – Beautification Chairman**

President and Chairman both have painting supplies at their houses. They have generously been keeping up on graffiti painting. Community walk-through will be held tomorrow with CCMC.
